O R D E R

On October 4, 1993, EQuality, Incorporated filed with the Commission an application for a Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications services in accordance with its proposed tariff. The proposed tariff contains rates which become effective on and after October 21, 1993. However, since 30-days' notice to the Commission is required, the correct effective date of the tariff is November 3, 1993.

After reviewing the proposed tariff, the Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed tariff and that such proceedings cannot be completed prior to the proposed effective date.

IT IS THEREFORE ORDERED that:

1. The proposed tariff is suspended for 5 months from November 3, 1993 up to and including April 2, 1994.

2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 19th day of October, 1993.
